German for Academic & Tech Mobility

German for the next step: a place at university, an internship or a technical role in a German-speaking country.

Allemand pour la mobilité académique & technique

NEXT COHORT	SCHEDULE	DURATION	SEATS LEFT
18 April 2026	Tuesday 17:30–19:30	12 weeks	7

WHAT YOU WILL BUILD

- Handle everyday and academic situations in German with growing confidence.
- Read and complete common application and enrolment documents.
- Introduce yourself and your technical background in an interview.
- Follow the structure of a German-language technical presentation.

SYLLABUS OUTLINE

01 Starter German
Pronunciation, sentence structure and the phrases that carry a first week.

02 Academic vocabulary
The words and routines of a German university.

03 Applications
Read, complete and explain the documents a move requires.

04 Technical German
Introduce your discipline, project and experience in plain German.

05 Interviews and presentations
Rehearse an interview and a short technical presentation.

06 Arrival clinic
Registration, housing and the practical conversations that follow admission.

CAPSTONE & STUDENT OUTPUT

A study-mobility dossier

A German-language CV, motivation letter and oral presentation, reviewed against a real application checklist.

STUDENT OUTPUT
A German CV, a mobility dossier and a recorded interview.
